**comfort redefined**

True comfort, genuine practicality and great looks can be an illusive combination. But not with the new i800. This innovative, eight seat car perfectly accommodates all the demands of modern family – and working – life in one sleek, elegant design.

Style and function come as standard with the i800. Take the rear sliding doors, creating easy access in the tightest of spaces. Or the privacy glass that keeps your valuables and passengers securely out of sight. And whilst the remote central locking and integrated alarm ensure your i800 is secure when parked, it also has a range of features that offer incredible safety on the road including an advanced Electronic Stability Programme (ESP), Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and Traction Control System (TCS).

In fact, the i800 is packed with features you'd usually expect to find on high-specification executive cars. Body coloured reversing sensors offer added convenience and protection, allowing the same ease of parking as a smaller car without interrupting the smooth aesthetics of the rear bumper. The striking 16" alloys even come with a fifth, spare alloy wheel – to make sure the i800's style is never compromised.

But it's not just innovative features and elegant design that turns heads towards the i800. The ability of its powerful 2.5 CRDi 168 BHP engine really gives this large people carrier the power to please – while making it incredibly light and nimble on the road. All in all, the i800 packs a real punch on style, practicality and performance.

**fiveyear warranty**

Only Hyundai has the confidence in the world class quality of our products and the commitment to our customers, to offer a unique Five Year Warranty across its entire range. Our warranty is free, fully manufacturer backed, and lasts for five years of unlimited mileage\*. It's also fully transferable to the next owner if you decide to sell. If you need to find out more about this, or any of our vehicle range, please consult your local dealer, or feel free to visit our website at [www.hyundai.co.uk](http://www.hyundai.co.uk)

\* Vehicles used for hire and reward or commercial uses are covered by a five year, 100,000 mile warranty, which does not include Hyundai RAC Assistance. To retain full warranty cover and, where appropriate, Hyundai RAC Assistance, regular servicing of the vehicle in compliance with the maintenance schedule is necessary. This is chargeable to the customer.

**choice without compromise**

If you have high demands when it comes to your choice of car, the i800 should be right at the top of your wish list. This is a car that genuinely puts you first, whether in the practicality of its eight seats and incredibly generous, flexible space – or its highly refined interior.

You'll be impressed by the wide range of features packed into the i800's interior. This is a car that makes full use of the space it provides. Its generous eight seats offer a flexible system that allows you to slide and recline the second row of seats on a 60/40 split basis, and recline the third row of seats, creating a huge space for luggage, sporting gear or those essential DIY trips.

The i800 is big on comfort too. Interior refinements include a heated driver's front seat, electric front window controls and air conditioning with second row controls and vents evenly distributed throughout the vehicle. Add to that the generous legroom, which can be adjusted by sliding the second row seats, and unexpected elements such as multiple storage compartments and convenient cup holders – and the i800's story of passenger comfort begins to take shape.

And as you'd expect from Hyundai, driver comfort is given the utmost care and attention. With its elevated driving position, the i800 offers excellent visibility, while its ergonomic dashboard and centre-mounted gear stick help make the driver feel snug and relaxed whatever the conditions on the road. In fact, the i800 has been developed to make sure everyone arrives at the destination cool, calm and relaxed – whatever the weather or length of the journey.

01 Stereo Radio/CD player with MP3 compatibility

02 Air conditioning

03 Automatic dimming rear view mirror

04 Seat back pockets – front

05 Eight seat configuration

06 One touch auto down driver's window control

07 Second row sliding and reclining seats

08 Adjustable LED mood lighting

09 Electronic Stability Programme (ESP)

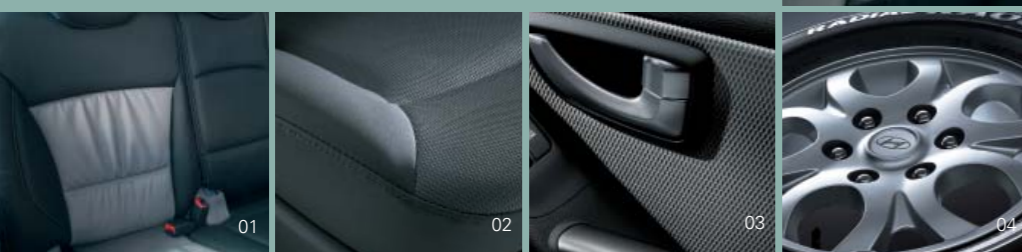

10 Overhead console with sunglasses holder

## quality comes first

The wealth of features on the i800 – alongside its adaptability and unrivalled space and comfort – firmly establish it as a leader in its class.

But it's the quality of the finishes that really set it apart. The solid and reassuring noise of the door-close, the practical hard wearing upholstery, to the tactile and ergonomic design of the interior switches, plus the option to upgrade to plush two-tone leather upholstery, all add to the driver and passenger experience of comfort and luxury.

Of course, these are all things you need to experience yourself. So why not take a closer look and talk to your local Hyundai dealer to arrange a test drive today!

- 01 Two-tone leather seat facings\*
- 02 Grey leather effect seat facings with grey mesh overlay
- 03 Grey mesh door trim – front
- 04 16" Alloy wheel
- 05 Door trim\*\* with contrasting stitch detail

\* Available at extra cost
