

 **HYUNDAI** *i30*

HYUNDAI

It's good to be different, that's what we believe at Hyundai.

It's what keeps us ahead of the rest.

Peace of mind as standard

You can't put a price on five years' peace of mind. So we don't. The 5 Year Triple Care Package* which includes a 5 Year Warranty, 5 Year RAC Roadside Assistance** and 5 Years of Annual Vehicle Health Checks, is available as standard on every new 2011 Model Year Hyundai i30 for miles of worry-free motoring. Please see page 30 for further details or visit your Hyundai dealer for full warranty terms and conditions.

* 5 Year Triple Care full terms and conditions apply. Please see www.hyundai.co.uk/owners/Triple5 or ask your local dealer for full terms and conditions.

** Roadside Assistance is provided by RAC Motoring Services Reg'd office: RAC House, 8 Surrey Street, Norwich, Norfolk NR1 3NG Reg'd No 1424399. RAC Motoring Services is authorised and regulated by the Financial Services Authority and within the jurisdiction of the Financial Ombudsman Service and the Financial Services Compensation Scheme.

Our mission

To pursue excellence and deliver cars that inspire, so you can live your life the way you want.

Everyone's different.

We're proud to be different too. We like to think time spent in your car can be quality time. That's why we have an extensive product range to meet your lifestyle needs. From nippy city runabouts to rugged off-roaders there's a Hyundai that's just right for you.

True quality matters. To us and to you. Our vehicles are built to the highest quality standards and are covered by our Five Year Warranty.

Quality isn't compromised when you buy a Hyundai. Our inclusive package of quality, performance and value means you can concentrate on the things that matter to you.

inspiration

innovation

individuality

The right combinations Style is just the start

i30

What happens when imagination, engineering and style come together? Welcome to the Hyundai i30.

Your eyes are automatically drawn to the sleek lines and dynamic curves. Looking closer, you'll love the distinctive front with its chrome grille. Just as much

attention has been paid to the rear styling, resulting in the nicely crafted tailgate and elegant vertical tail lights.

It all adds up to the i30's modern, perfectly balanced appearance. A car that catches the eye – time after time.

Take control Driving with performance and precision

i30

Everything's geared towards making sure you're in control.

Choose from an impressive range of engine options, from the 1.4 petrol up to the powerful yet economical 1.6 CRDi – producing 192 lbs/ft torque for great performance and superb handling. The wide range of

adjustments for your seat and steering column mean you're in a relaxed but safe driving position. All round independent suspension keeps your passengers comfortable, whether you're nipping to the shops or setting off on a family holiday. The electric power steering system gives you directional control with a responsive

in-touch-with-the-road driving experience at higher speeds. With low operational noise and appreciably high efficiency, you'll feel the difference at every level.

There's more to the i30 than meets the eye. More useful innovation. For a more satisfying driving experience all round.

Safe in the knowledge All round protection

i30

Feel secure the moment you step inside. The i30 comes equipped with an array of advanced safety features.

Standard on the i30 is the Electronic Stability Programme (ESP) which proactively controls brake pressure to each wheel, and manages the power output during acceleration and

braking on low friction road surfaces.

ESP works in combination with the Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and Traction Control which optimise road holding and brake efficiency, making you feel more confident whatever the conditions.

The reinforced safety structure of the i30 features crumple zones and a rigid passenger safety cell, helping to keep you safe in the event of a collision by absorbing impact energy. With active front head restraints, front seatbelt pre-tensioners and six airbags, together with the rear ISOfix child seat

anchor points, you have a car that really does protect you and your loved ones. And with follow-me-home lighting fitted as standard, which can illuminate dark car parks or light the way to your front door, that secure feeling will be with you right up to the end of your journey.

- 1 | Active front head restraints
- 2 | Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD)
- 3 | Multiple airbag system for all round protection
- 4 | Follow-me-home Headlight Function

Increased capabilities More options for your lifestyle

i30

More choice. More space. More flexibility. Isn't that what you need for your busy lifestyle? You get them all with the i30. And with no compromise.

It's about more than the generous boot capacity. You'll find plenty of compartments inside, for example, the sunglasses holder on Comfort and Premium models. So from

parking in town to trekking in the countryside, the i30 is the perfect partner.

The i30 is practical too. The rear seats can split 60:40 so you, the kids and your cargo can all get home safely. In the hatchback, you can even fold the rear seats flat if you need to pick up that flat-pack furniture from the DIY store.

With the estate version you can count on the performance and comfort of the hatchback, plus its clean design. But thanks to the extra long wheelbase, you get even more space.

Passengers can stretch out and relax, and you can still pack in those bulky items.

With the i30 Estate nothing gets left behind.

- 1 | Leather and Cloth Seat Trim on Premium models
- 2 | Sunglasses holder on Comfort and Premium models
- 3 | Spacious boot of the Estate*

* Features optional leather trim (seat facings only)

Defining quality Experience the difference

i30

Sometimes it's hard to put your finger on what quality actually is. The i30 makes it possible.

Look at the i30 from the outside and you can see the quality, in its robust build and superb finish. Get behind the wheel and you'll feel the quality – a driving position that's comfortable

and secure, and puts you in control. Every trip will be a joy thanks to the attention to detail and range of thoughtful features – as standard.

Quality is a defining feature throughout the i30. The petrol models have an efficient lightweight aluminium engine while the high power diesel models have a Variable

Geometry Turbocharger that optimises fuelling requirements. All models with manual transmission are fitted with an Eco Drive Indicator, which shows you the best time to change gear, for more fuel efficient driving. For superior fuel efficiency and reduced CO₂ emissions, optional Intelligent

Stop and Go technology (ISG)* is perfect for urban driving. When you stop at traffic lights, simply put the car into neutral and remove your foot from the clutch – ISG will switch off the engine, restarting it instantly when you depress the clutch, ready to move off.

What is quality? We'll help you find the answer.

1 | Hidden soft-touch boot release

2 | 16" alloy wheel on Comfort models

* Please note that Intelligent Stop and Go technology (ISG) is special order only and is only available on manual transmission i30s. Please be aware that Hyundai Motor UK Ltd does not hold stock of derivatives with this option. Factory lead times will apply when placing your order. Please contact your dealer for more information.

Technology for today Enhancing your experience

i30

The i30 doesn't just embrace technology. It uses it intelligently and efficiently.

As well as making your drive more efficient, we've taken the time to make life that little bit easier for you too. Remote central locking and USB and Aux connections are just

some of the i30's handy standard features. You can plug your MP3 player into the sound system and, on the Comfort and Premium models you can even control the audio functions from the steering wheel push-button controls. Choose the Premium

model and life gets even easier. With reversing sensors, automatic headlights, rain sensing front windscreen wipers, front windscreen wiper de-icer and electric folding door mirrors, you'll be driving around in a Premium car without the premium price tag.

- 1 | USB and Aux connections (Hyundai iPod™ cable provided)
- 2 | Reversing sensors on Premium models

iPod™ is a trade mark of Apple, Inc., registered in US and other countries.

Your ideal space Features to make you feel good

i30

The glow of the blue illuminated instrument lighting sets the sophisticated tone for everything inside the i30. But that's just the beginning. Adjust the height on the driver's seat and select a height and reach setting on the steering column to find your perfect driving position.

With the stylish interior trim design and air conditioned environment, the i30 is a joy to experience. You'll find many thoughtful touches as you explore the luxurious interior. The air conditioning extends to the glove box, keeping your drinks and snacks cool for the journey. On the Premium model you can

even preset the air conditioning using Climate Control. This automatically maintains the interior temperature at the level you desire.

Perfect for everyday life, perfect for trips away. And all in perfect luxury.

- 1 | Folding key
- 2 | Storage compartment
- 3 | Air conditioning on Classic and Comfort models

Classic, Comfort, Premium.

Decisions, decisions, decisions

Some decisions are harder to make than others – unlike choosing your perfect i30. With a level of standard equipment you'd normally expect in more expensive cars, we've made deciding that little bit easier. Choose from Classic, Comfort and Premium.

i30

Classic

- 15" Steel Wheels
- Active Front Head Restraints
- Air Conditioning
- Body Coloured Mirrors
- Cloth Seat Trim
- Driver's Seat Height Adjustment

* g/km = grammes of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide

** The results given above do not express or imply any guarantee of fuel consumption of any model to which this brochure refers. The driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption

† Please note that Intelligent Stop & Go technology (ISG) is special order only and is only available on manual transmission i30s. Please be aware that Hyundai Motor UK Ltd does not hold stock of derivatives with this option. Factory lead times will apply when placing your order. Please contact your dealer for more information

Hyundai gives you peace of mind

i30

Peace Of Mind As Standard

Triple 5 Ownership Package*

You can't put a price on five years' peace of mind. So we don't. The Triple 5 Ownership Package* is available as standard on every new Hyundai i30 for miles of worry-free motoring.

- **Five Year Warranty**

The first component of our Triple 5 Ownership Package* is our five year, manufacturer backed, unlimited mileage warranty^Δ.

- **Five Years' RAC Roadside Assistance[†]**

With the Triple 5 Ownership Package* you can count on free, 24-hour roadside assistance anywhere in the UK or Channel Islands – and even 31 days' cover, every year, in mainland Europe.

- **Five Years of Vehicle Health Checks**

For a period of five years, your Hyundai dealer will carry out an annual vehicle health check on the key areas of your Hyundai i30.

In addition Hyundai offers:

- A Six or Ten year Anti-perforation Warranty[¶] against perforation of the bodywork from the inside of the panel outwards.

Hyundai Car Finance

Many of our customers borrow money from somewhere to enable them to purchase their new Hyundai. At Hyundai Car Finance we believe we have a complete solution with a range of products for all Hyundai customers. We provide Hire Purchase or Personal Loan options. Simply finance any amount over any period between 12 to 60 months. For further details on the finance options available, please contact your dealer.

Sequences

Reduce your monthly payments by deferring part of the cost to the end of the agreement, resulting in an optional final payment and offering you three great choices.

Payment Protection

We offer three levels of Payment Protection cover to cater for a whole range of circumstances.

Guaranteed Asset Protection

Did you know that if your vehicle was written off as a result of an accident, fire or theft, your insurance company would only pay the current market value of the vehicle, and not what you actually paid for it? If you wanted to replace your vehicle you would have to find the difference. Gap Insurance can cover you for any shortfall from your insurance company in a total loss situation.

Competitive Advantage System

For further information and the chance to compare us against other cars you may be considering, use the Competitive Advantage System which can be found at www.hyundai.co.uk.

If you need to find out more about Hyundai itself, or any of our vehicle range, please consult your local Hyundai dealer, or feel free to visit our website. There's very little you won't be able to discover and then it's the simple matter of trying and buying, because once you test drive a Hyundai, we're sure it will surprise and excite in equal measure.

www.hyundai.co.uk

* 5 Year Triple Care full terms and conditions apply. Please see www.hyundai.co.uk/owners/Triple5 or ask your local dealer for full terms and conditions.

¶ Six or Ten year Anti-perforation Warranty dependent on model and model year. i30 benefits from a Ten Year Anti-perforation Warranty.

Δ Vehicles used for hire and reward or commercial uses are covered by a five year, 100,000 mile warranty. Warranty cover excludes fair wear and tear. Please visit www.hyundai.co.uk for full warranty terms and conditions.

† Roadside Assistance is provided by RAC Motoring Services Reg'd office: RAC House, 8 Surrey Street, Norwich, Norfolk NR1 3NG Reg'd No 1424399. RAC Motoring Services is authorised and regulated by the Financial Services Authority and within the jurisdiction of the Financial Ombudsman Service and the Financial Services Compensation Scheme.
